1. The New Zealand Police may release any information they hold if relevant to the purpose of this vetting request. This includes:

- Conviction histories and infringement/demerit reports
- Active investigations, charges and warrants to arrest
- Charges that did not result in a conviction including those that were acquitted (not guilty), discharged without conviction, withdrawn, or resolved by way of the Police diversion scheme
- Any interaction I have had with New Zealand Police considered relevant to the role being vetted, including investigations that did not result in prosecution
- Information regarding family violence where I was the victim, offender or witness to an incident or offence, primarily in cases where the role being vetted takes place in a home environment where exposure to physical or verbal violence could place vulnerable persons at emotional or physical risk.
- Information subject to name suppression where that information is necessary to the purpose of the vet

2. If I am eligible under the Criminal Records (Clean Slate) Act 2004, my conviction history will not be released unless:

- a. Section 19(3) of the Clean Slate Act applies to this request (exceptions to the clean slate regime)
- b. Section 31(3) of the Children's Act 2014 applies to this request (safety checks of core children's workers).

Please see the guide for more information regarding the Clean Slate legislation.

3. The Police Vetting Service may disclose newly-obtained relevant information to the Approved Agency after the completion of the Police Vet in the following circumstances:
